

EAS Multiform POSITRONIC

We are the world leading company in modernising embroidery machines and our experience is your success.

| Companies | Comp

EAS Multiform Saurer is a card simulator, enabling you to operate your embroidery machine by a MS-DOS PC, including online graphic and stitch surveillance.

This development of Heinzle Sticktechnik / Austria guarantees you a high quality and easy to handle equipment for your Saurer 2s,1040 and 2040 Saurer with DATAMAT or mechanical CARD READER 22/46k embroidery machines and for ZANGS Z-871

Our system is running under MS-DOS including:

- Full graphic editing software
- Converting software for foreign disk formats
- Legend program

Options: Stitchreducing tool
